

RUTGERS
Giving Day
12.1.15

**ON DECEMBER 1,
You Can Make an Impact**

Rutgers Giving Day—on December 1—gives New Jersey Medical School alumni, students, and friends a unique opportunity to show the world what they can do when they join together for a cause.

This first-ever 24-hour university-wide fundraising day gives NJMS supporters an opportunity to impact a wide range of initiatives—whether it's improving health across the state, supporting the next generation of students in their growth, or backing leading-edge research.

**MAKE AN IMPACT.
GIVE THROUGH RUTGERS.**
